Disclosure of Physician Owners

The staff and physician owners of Centrum Surgical Center welcome you to our facility. To ensure that we are providing the best possible patient care experience, we encourage you and your family members to let us know how we are doing and if you have questions any time during your care.

- Throughout your visit at the Center, please feel free to speak with any of our staff
- After your procedure you will receive a phone call from one of our registered nurses who will check on your progress

Thank you for choosing Centrum Surgical Center!
